

Thank you for your loyalty and support of our family and veteran-owned business.

In early June we were presented with unexpected and unusual correspondence from APS. Simply put, our land is needed to expand the power generating plant located immediately north of our building. *NOTE: The Arizona Constitution (Article 2 Section 17) authorizes the exercise of eminent domain authority if the taking is for a public use and the property owner is paid just compensation.*

As a result, our family-owned business will close operation on August 5, 2022.

We will use the next few weeks to complete any ongoing business in our plant and deliver items to our customers, as well as transition our commercial business, CRDN of Arizona over to its new owners, the Patels, owners of Viking Cleaners.

To our home delivery, retail and drapery customers: words are inadequate. You have supported our family – many of you more 30+ years – and we are humbled by your loyalty. **However, two of our key management team members – Jason and Matt – have plans in the works to keep this aspect of the business running smoothly and seamlessly as they start their own version of Bell. Plans will be shared in the coming days.**

To our non-profit community partners: we are proud to have provided in-kind contributions throughout the past 30 years and hold fond memories of our partnerships.

Here's to our next adventure... **#community #thankyou #smallbusiness**
